

## SURPRISE LUNCH FOR RATTAN GIVEN BY HIS TEAM AT AMSYSCO

*Just a few of the messages sent to Rattan L. Khosa after the EY Gala...*

*"To us, you are a Winner!" – AMSYSCO Team*

*"It was an honor to be present for the Gala event, and in particular to get to sit at your side at the table. It is a tremendous recognition to be a finalist for EOY, and you deserve the highest accolades for your achievement. I frequently point out internally that in the PT business you represent the American dream." – Richard T. Wagner, Insteel Wire Products*

*"I am surprised to hear that. Must have been some incredible competition. You should take solace in the fact that you are the best PT supplier in the country and that you did it all on your own. You'd have had my vote." – Jim Block, Mortenson Construction*

*"This is a bit overdue, but I wanted to reach out and thank you again for having Richard and me at this event. It was a real honor being invited to attend with you. The number of people who choose to attend with you speaks highly of how well thought of you are among those who know you. I also wanted to reiterate something I've told you before- that in my view, you embody the American dream. I don't know if I've mentioned before that my father was a small business owner and entrepreneur. He never achieved the level of success you have, but growing up in a family centered on the success of a small business, I have great appreciation and respect for the risks, hard work, and perseverance it takes to prevail. Frankly, I could care less who the EY judges deem a winner- when I see the success you have achieved through your tenacity, vision, and tireless hard work, I am filled with admiration." – E. Randy Plitt, Insteel Wire Products*

*"I truly appreciate getting to know you through this process. You have a tremendous success story and much to be proud of. Your focus on giving back and building a team at Amsysco is inspiring and I am glad you have been recognized for your success. I hope you enjoyed the process and the celebration, and I look forward to staying in touch." - Jim Deutsch, Ernst & Young LLP*

**Rattan's response to surprise lunch:**

*"Dear Anali, Kendra, Mira, Maya, Nancy, Salvio, Juan, Traudio, Adrian, Eric, Rayna and Kusuma*

*It would have been great to win the subject award. Non the less, it was an honor to be part of a select group of other finalist entrepreneurs. A win would have been great for AMSYSCO and all employees.*

*I won a bigger award through the "surprise lunch" you folks organized for me on June 23<sup>rd</sup>. I am humbled by your generosity, goodwill and the effort you all put together in staging a very pleasing event. Such event gives me more pleasure than any monetary reward one might secure in owning a business. I am just thrilled to be part of this great team we have at AMSYSCO*

*I thank you all." – Rattan L. Khosa, AMSYSCO, Inc.*
